LAPSE FROM GRACE.

[Ernest McGaffey in Inter Ocean.]

I was hard at work nailing up a box of oks in my capacity as shipping clerk for & Co. when Nixy Wiggins dropped in. It was in November, 187-, and St. Lors was snow-bound. Nixy said he was going out to his Uncle Bill's for a week's hun with the heat that sprang from its oak and hickory contents. The tin doors of the cup-board sparked cheerfully, and the lamp-light beamed a Uncle Bill's yellow locks. and he wanted me to go along if I could get Physician and Surgeor. Office over Fuller & off. I was mighty keen to go, for it was the off. I was migraty seem of the "Wood-popular opinion among the "Wood-bins" boys that Uncle Bill Dukes' farm was right in the dead center farm was right in the dead center The cotton window curtains were drawn half asite, and the snow lay like a great of the happy hunting groun Mr. Dukes lived about 120 miles from t. Loui-on the line of the Missouri Pacific railroad, white mantle as far as the eye could reach. on the line of the Missouri Pacific railroad, and seven miles from the nearest station. The children were gathered in their little chairs near the stove, and every one listened in respectful silence. Uncle Bill began reading in a serious and meditative manner, and finally reached the last verse in the chapter. Clearing his throat he con-tinued: "Because of the Chaldeans; for they were afraid of them, because Ishmael, tion, Nixy waiting outside with his hopes and fears at a fever heat. Mr. P-finally agreed to let me go, and I want out in the hall and broke it gently to Nixy. We leaped war dance with a pantomime accompani-ment to express our delight, and then pro-ment to express our delight, and then pro-Bible softly, his eyes wandered to the win-Thom he said; "The forty-first chapter ment to express our deright, and then pro-ceeded to business. I was to get a pass to M— and back for Nixy and myself, and Nixy was to lead himself down with hot, powder, caps, wads, etc., and meet me at that dog." The first part of this sentence the Union depot at 6 p. m.

I went to the treasurer of the Woodbine club, Jack O'B., and "struck" him for a pass, and got it without any trouble. Jack of surprise. The dog had trotted around the

was, "There's many a good thing lost in life the simple of the snow just as Uncle Bill got to by simply not asking for it." He never failed to ask for what he wanted whether he got it or not. Packing our values full of cept his intense issire to make an end of that worked in a railroad office, and his motto corner of the house and doomed up in basunition, Nixy and I bid good-bye to our meerable sheep-killing cur. tearful mothers. "Be careful of your guns, boys; don't climb fences with your guns in your hands," were the last words we heard back door and sneaked around the corner of from our anxious mothers. Our sisters said:
"It's a shame to kill those downy little rabthe house. In a few seconds we heard snar —snap—and then he came seing back again. "Who in the name of all the saintbits. How can you be so cruel? And bring us a lot of wings to trim our hats with," a together in the same breath. Some people think sportsmen cruel and unmanity. What a sportsmen cruel and unmanity. What a say!" "Oh pa," said little Lucy Bell, mistaken idea. A true sportsman is abov. "Andy Henderson borryed it a Friday." together has been meddling with this g no mistaken idea. A true sportsman is abov all other men living a man with a tender mistaken Hea. A true sportsman is acreally all other men living a man with a tenier heart. Search the trades and professions over and the men who love the rid and gun are the men to "tis to."

Andy Henderson borryed it a rriday morning to kill a hog, 'n I reckon he forgot to load it when he fetched it back." "The devil fly away with Andy Hinderson," howled Uncle Bell, furious with rage.

We got to the Union depot at 5.5) p. m. "Where 'n thunder 'z the amanition and bearfed the train. At 6 o'clock the beli clanged, the driving wheels of the engine whorled round and round, the conductor yellel "All aboard" - whoosh, without even a bit of watering of separate ductor yellel "All aboard" - whoosh, buff, puff - and we would out of the shot on the powder, and realized that he dark depot. We passed the chimneys of Chestenham, dived into the timber that surrounded Webster Groves, and then drew up for a little while at Kirkwood.

Putting in the powder first, and then some proper he powder first, and then some proper he powder first, and then some Then we steamed out into the night, past wools and prairie, and past little stations, where the small boys gathered to see the train come in tore frantically out in the snow, crawled

They came each with a lantern and some few with black glazer caps. They did not expect to meet any one and no one expected to meet them. But they walked jauntily around the platform, talked about No. 6 and No. 10, got on and off the cars, and got in the way of the training. They be had platform the muzzle of the gun.

Cautaudy actual the corn-crib—no dog. Around the key fact he was the same whom the corn-crib—no dog. Around the corn-crib—no dog. Back of the smoke-house—there he gos. and pop. pop. puff, puff, the shot fizzled out in the stoom about the feet from the muzzle of the gun. way of the trainmen. They looked pityingly at the passengers, and seemed to consider hundredths of his powder on the floor in stead of the barrels of his gun, on account of them very small specimens of extremely small potatoes. Finally, as the train pulled his tremendous excitement. The dog by this time was over the hills and far away, evidently suspecting sinister designs. Uncle Bill trailed back to the house the maddes! out, they waved their lanterns and filed off their respective homes, apparently contented and happy. Each and every one of them yearned—yes, actually yearned—to be man I ever saw. His very whiskers twitched with wrath. He was too mad to

speak. Aunt Mary didn't say a word, not even "Oh! William, how could you?" The About 9:30 o'clock, as Nixy and I were playing "California Jack," a sad, sweet mur-mur floated through the car. It was the rest of us were afraid to peep for our live usual angrer. over Aust Mary's bedroom, and that night after we went to bed we heard Uncle Bull He was, in this case, a heavy-set German,

a brakeman.

with a most ferocious mustache. His repeter of the most ferocious sencing with the echoes from the Brocken, to one side and said: "Boxy I'm mighty he renewed his acquaintance with tradition-ary memories of the chanting Lorelei. He and I don't want the Hendersons or Lot Mc finally settled down to a steady thing by
tying himself up in a knot and moaning like
a disconsolate turtle dove.

FOR RENT - Splendld large furnished room, on first floor, cor. Lawrence avenue and ld st. ds. if Mas E. Hill.

FOR RENT - Splendld large furnished room, on first floor, cor. Lawrence and look of the constant plane of the constant p fences, along a heige or two, and over hill scratching against them and squealing with our bunting coats filled with gams. Nay bad got a map-shot at a prairie chicken, and was lucky enough to bring him down, and "Yes." had besides eight rabbits and thirteen quali. "Got more it."
I had five rabbits and eleven quali for my "No my friend, I haven't. Fee run clear.

quota and a terrible appetite for a square meal. When we got to the house Uncle Bill regaled us with thrilling accounts of the game he had seen on Brush creek, two and 13-Estimates and Designs furnished on short a balf miles from his place. We beczed for | wi-as they tickle a pig in this fashion!"

perience is that it generally stays there until

The American women as a rule have smaller feet than the English women. But

this is not nitogether a matter of tempera

ture. Habit in a large measure determines the size of the feet, as it will of the some,

T. Sorrells,

in some way, and he described the dog to us and said he would give \$5 for his ears.

We promised to give that purp a mighty warm reception if he ever came near us. After supper was over Uncle Bill got out the family Bible to read a chapter, as was his custom of late. The hure stove glowed with the heat that constant for the stove glowed with the heat that constant for the stove glowed with the heat that constant for the stove glowed with the heat that constant for the stove glowed with the heat that constant for the stove glowed with the heat that constant for the stove glowed with the heat that constant for the stove glowed with the heat that constant for the stove glowed with the heat that constant for the stove glowed with the heat that constant for the stove glowed with the heat that constant for the stove glowed with the heat that constant for the stove glowed with the heat that constant for the stove glowed with the heat that constant for the stove glowed with the heat that constant for the stove glowed with the heat that constant for the stove glowed with the stove glowed with
